Peter Mburu P.O. Box 130 Thika

Subject: Notice of Retrenchment

Dear Peter Mburu,

We regret to inform you that due to ongoing organizational restructuring and economic challenges, GlenStores has made the difficult decision to reduce its workforce. After careful consideration, your position as a Driver has been identified as one of those affected. Accordingly, your employment with GlenStores will be terminated effective April 31, 2025, in line with the company's retrenchment policy and in compliance with the applicable labor laws. We wish to make it clear that this decision is no reflection on your performance, which has been appreciated. It is purely a result of operational needs. You will receive your final dues, including your salary up to the termination date, severance pay as required by law, payment for any outstanding leave days, and a Certificate of Service. The Human Resource Department remains available to support you during this transition, including providing references and career guidance if needed. We sincerely thank you for your dedicated service and contribution to GlenStores and wish you the very best in your future endeavors.

Yours faithfully, Ruth Njeri Human Resources Manager.
